

CONECT-R – PLAN TERMS & SPECIFICATIONS AGREEMENT

This Plan Terms & Specifications Agreement ("Agreement") is entered into between Conect-R ("Service Provider") and the undersigned business entity ("Client"). By signing this Agreement, the Client acknowledges and agrees to the following terms and conditions:

1. Plan Eligibility & Restrictions Each business entity is limited to one (1) purchase per specific plan. Continuous service is managed exclusively through plan upgrades or downgrades. Duplicate purchases of the same plan for the same business location are not permitted.

2. Upgrades & Hardware Adjustments When moving to a higher-tier plan, the initial setup fee is waived. However, the Client must pay the price difference for any additional hardware required to meet the specifications of the upgraded plan.

3. Digital Update Turnaround All requests for menu or link changes included in the membership will be processed within forty-eight (48) hours following the official request.

4. Hardware Delivery Timeline Initial delivery of custom-printed hardware is subject to a lead time of fifteen (15) to twenty (20) business days after final design approval.

5. Use-It-Or-Lose-It Policy Monthly benefits, including hardware replacements and menu or link updates, do not accumulate or roll over into subsequent billing cycles.

6. On-Demand Replacements Hardware replacements are provided upon request and are subject to the limits and availability of the active plan. Requests exceeding the monthly allowance will be billed at \$100.00 USD per request or \$30.00 USD per unit.

7. Cancellation & Termination Policy Membership plans are billed on a month-to-month basis. Cancellation may be requested at any time; however, service will remain active through the end of the current paid billing cycle. To avoid the next automated charge, cancellation requests must be submitted at least thirty (30) days prior to the next billing date. Setup fees and monthly membership payments are non-refundable, and no partial refunds or prorated credits will be issued. Upon cancellation, all physical hardware remains the property of the Client; however, all digital links and cloud-hosting services will be disabled. Reactivation of a cancelled service is subject to a \$50.00 USD reactivation fee.

8. Entire Agreement This document constitutes the entire agreement between the Parties and supersedes all prior discussions or agreements.

9. Shipping & Delivery Costs The Client acknowledges and agrees that all shipping and delivery costs associated with the delivery of physical products, including but not limited to NFC stands, cards, wristbands, or replacement hardware, are the sole responsibility of the Client. Shipping charges are not included in any plan pricing and will be invoiced separately or collected prior to shipment.

10. Payment Authorization & Stored Card Agreement The Client acknowledges and agrees that their payment card will be securely stored within the Conect-R payment system for billing purposes. By signing this Agreement, the Client expressly authorizes Conect-R to charge the stored payment method for all applicable monthly subscription fees, recurring services, add-ons, and any other charges agreed upon under this Agreement, until such time as the subscription is properly cancelled in accordance with the Cancellation & Termination Policy.
